Grass Roots, Community-based Team Event

Celebrating everyone who has been affected by cancer. Unfortunately, everyone knows someone who has had cancer. Whether someone's been diagnosed for 10 days or been cancer-free for 10 years, they gather together for the crowd to cheer them on—SURVIVORS LAP

Survivors define courage and inspire those facing a cancer diagnosis. Their strength is honored with each step they

take around the first lap.

CAREGIVERS—Caring for others is a selfless act, which is why we honor caregivers with a lap. They often walk with the person they have supported.

LUMINARIA—each luminaria bag represents a loved one lost to cancer, brings support to those affected by it, and honors survivors. This is a powerful moment and gives people the opportunity to grieve or celebrate life.

CLOSING CEREMONY—We celebrate all that we've accomplished together and remember those we've lost. Together, we commit to take action and help end the pain and suffering of cancer.

Join NMUMC Relay for Life team on June 16 @ 6:00 p.m. Magnolia High School Track located at 601 Maple Avenue as we celebrate those who have overcome cancer or are undergoing treatment, caregivers, and the memory of loved ones and friends who are lost to cancer. A night of healing...

ENGAGE/SERVE TEAM ACTIVITIES

At the May meeting we discussed the pros and cons of having an Easter Egg Hunt. We only had five kids show up this year for the egg hunt and breakfast, so we had an egg hunt between the services on Easter Sunday morning in the Multipurpose Room. There were about 25 children who participated in the hunt and they enjoyed it very much. We will hold the Easter Egg Hunt this way next year. We had 1500 eggs this year and prizes were awarded for guessing the jelly beans in a jar and for finding the golden egg. A brunch was served and a Bible Study, "The Crucifixion Eggs" was presented by Barbara Hopkins for the children and adults present to explain the real meaning of Easter.

We are planning for the Back to School Tailgate Party that will be on August 6th. Last year we passed out 329 Back Packs to not only local students, but to students throughout the county. We will be asking for donations of supplies from our congregation and other churches, civic organizations and businesses.

We will be asking for help packing the back packs.

We continue to collect used furniture and appliances that will be made available to those in need. Please contact Jim Wobig if you have anything to donate and we will make arrangements to pick it up.

We maintain a list of mission projects in the community. In the past we have built a handicapped ramp, made temporary repairs to a leaking roof and built a handicapped shower to mention a few.

FATHER'S DAY—June 18

What Makes A Dad?

God took the strength of a mountain,
The majesty of a tree,

The warmth of a summer sun,

The calm of a quiet sea,

The generous soul of nature,

The comforting arm of night,

The wisdom of the ages,

The power of the eagle's flight,

The joy of a morning in spring,

The faith of a mustard seed,

The patience of eternity,

The depth of a family need.

Then God combined these qualities.

When there was nothing more to
add,

He knew His masterpiece was
complete,

And so, He called it ... "DAD!"

OUTDOOR CHAPEL

The Outdoor Chapel needs your help! If you would be willing to help in ANY way, please let us know. If you have an hour or two a week or an hour or two a month.....a few extra hands would make a difference. If you like to or would be willing toweed, mow (chapel grounds), edge brick, move some gravel, check on pond and fountain pump filters, do seasonal maintenance like spring and fall clean up, plant plants, divide plants, transplant, mulch, water or work on special projectswe are flexible with the days and times. Or, pick a task and work on your own. It's all good.

Also, we are always making changes and sometimes need to delete or divide expanding plant material. With budget concerns, perhaps you could help us out with a donation for our continued work. That would be a WIN WIN WIN!!!

If you can help or have any questions. Please see or call Fred or Trish Eller 304-455-4852, 304-815-8415 or teller6@hotmail.com. Thanks!
